

**REMARKS**

Claims 1-36 are pending in the application. In the 1/15/09 phone interview, the Examiner indicated that all claims in the present application would be allowable if the independent claims were amended to more clearly tie the body of each claim to the language reciting "detecting computational errors" in each respective claim preamble.

Independent claims 1, 18, 31, and 34 have been amended accordingly, and appear on the following page of this document.

Respectfully submitted,

LATHROP & GAGE L.C.
